(TMI Focus, Vol. XIII, No. 1, Winter 1991)

QUARTERLY TAPE

Flying Free

This quarter's special-release tape for members takes you on a wonderful, liberating adventure as it relaxes you and leads you gently into restful sleep. Intended for use with an auto-reverse cassette player, the second side continues the Hemi-Sync® sleep sounds to help you maintain the sleep state for a longer period.

Happy dreams!
